

Water Garden News Industry Directory & Buying Guide 2005

The Water Garden News Industry Directory and Buying Guide is a brand new annual trade directory.

The Water Garden News Industry Directory and Buying Guide is a brand new annual trade directory that lists the names, addresses and contact information to more than 1,000 companies providing products and services to the water garden industry, including both Retailer products and Professional Landscaper/Pond Builder products.

This comprehensive directory includes listings of products and services, brand names and manufacturers as well as distributors, publishers and professional trade associations.

The Water Garden News Directories will be polybagged with the August issue of Water Garden News, and delivered to thousands of subscribers.

The inaugural issue will also include: A list of every state agency that regulates plants A list of each state's contractors' license board A list of koi clubs A list of koi-friendly veterinarians and health advisors

Plus: A calendar of Water Garden industry-related events A Water Garden News magazine article index

And more!

All listings are FREE however, for added visibility, display advertisement and adlets are available for purchase!
