

## Firestone Certification Courses Offered for Liner Installers

**Firestone certification courses will be offered in Shawnee, Okla., on Oct. 18 and 19 for residential and commercial decorative water-feature installers.**

Firestone certification courses will be offered in Shawnee, Okla., on Oct. 18 and 19 for residential and commercial decorative water-feature installers.

The International Landscape Alliance-sponsored classes will include hands-on installation courses and an examination. Courses offered will demonstrate installation techniques beyond straightforward rubber-liner seaming. Installers who do become certified will become a part of Firestone's leads program.

The class costs \$30 per person. To register for the course call (866) 219-3561, or visit [www.pondliner.com](http://www.pondliner.com) for more information. Seat availability is limited, so early registration is advised.
